

HAYNES RESTORATION MANUALS
(Range Rover / Land Rover series / Defender)
These manuals go a step further from their well renowned service manuals with advice on renovating bodywork and chassis, replacing interiors, overhauling electrics and improving performance - as well as advice on the pitfalls of buying a vehicle for restoration.

YOU AND YOUR...
(Range Rover / Freelander / Discovery)
This range of books looks at the evolution of the vehicles and offers excellent advice on buying, enjoying, maintaining and modifying your favourite vehicle.

BA 3072 - FIT FOR MOTORSPORT
Clearly written and illustrated this book will help get you to Peak fitness for that competitive edge in . top motorsport. Recommended by Jimmy McRae - 5 times British Rally Champion.

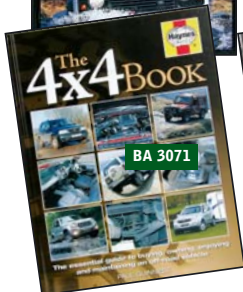

BA 3083 - LAND ROVER RESTORATION
A handy paperback guide on DIY restoration covering everything you'll need to restore a Series 1 Land Rover.

BA 3109 - LAND ROVER - SIMPLY THE BEST
A celebration of the world's most successful family off-road vehicles. Martin Hodder tells the fascinating inside story of the development of the marque since 1948.

BA 3051 - 4WD in 1000 photos
From the world's first 4x4, the original Willys Jeep, to the hi-tech vehicles used to tackle the daunting Paris-Dakar Rally, this action-packed book contains 1,000 colour photographs of four-wheel-drive vehicles in action on- and off-road around the world. A visual feast for all 4x4 enthusiasts.

BA 3052 - Buying and Selling Your Land Rover
By: Les Roberts. A comprehensive guide to buying and selling all Land Rover models, from a Series 1 to a Freelander, this comprehensively illustrated book provides advice to help the reader to locate and assess a vehicle that fits their requirements. This is an essential tool for anyone contemplating buying a Land Rover or wishing to make the best possible price on a sale.

BA 3071 - Buying and Maintaining 4x4s
By: Paul Guinness. This is an introduction to the world of 4x4s, with practical advice on how to choose the most suitable vehicle, and what to expect when running it. Essential reading for anyone contemplating ownership of their first 4x4, and for existing owners who want to maximise their enjoyment of 4x4 ownership.

BA 3053 - You and Your Land Rover 90
By: Martin Hodder. This volume covers the Ninety, One Ten & Defender models, from 1983 to 2000, with comprehensive information on using these cult vehicles for work or play. Aimed at the huge enthusiast market, it covers buying, owning, running and caring for the vehicles, driving on and off the tarmac, modifications, expedition planning and preparation.

BEARMACH OFF-ROAD GIFTS & ESSENTIALS

Whichever Land Rover you own there are some items which you can't do without if you enjoy your off-roading.

There's a range of personal items from DVDs to torches which will make ideal gifts at any time for Land Rover enthusiasts.

Then there are Essential Off-Road items to equip your vehicle for serious off-road use. From driving lights to towing equipment and Winches - not forgetting the T-Max brand which is exclusive to Bearmach.

Finally there's a selection of great Wheels to add a bit of style to these practical vehicles.

DVDs

BEARMACH intend to stock a great library of DVDs to entertain you when you're not Off-Roading so look for future additions - meanwhile here's a few to be going on with.

BA 3114 - Camel Trophy 89-98 - The Land Rover Years, combines a decade of great adventure, skillful 4WD action and stunning scenery.

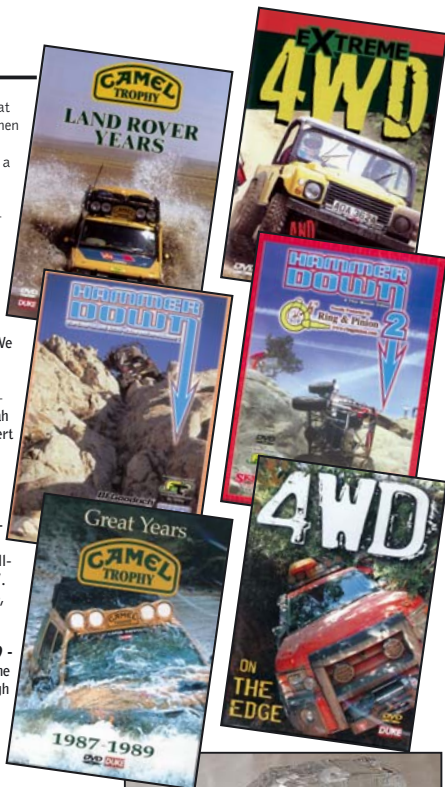

BA 3115 - 4WD Off Road - We travelled the world looking for the most unusual off-roaders around. We found plenty!

BA 3116 - Hammer Down 4WD - Includes footage of the Vernal, Utah UROC event, Cat Canyon, and Desert Mountain with drivers like Rick Wretberg and the legendary Lee Mattingly.

BA 3117 - Hammer Down 4WD II - Thor Wixom introduces us to more competition footage, more roll-overs and more 'Hammering Down'. The best driving and worst carnage, extreme rock-crawling has to offer.

BA 3114A - Camel Trophy 87-89 - Competitors arrive from all over the globe to take part in a drive through the remotest parts of the world. Featuring footage from adventures in Madagascar, Sulawesi and the Amazon.

BA 3124 - 4WD On the Edge - A feast of action from the world of Four Wheel Drive vehicles. Features British Armed Forces Land Rover Rally Team, the Bowler Off-Road factory as well as trials from Wales and the Isle of Man.

METAL SIGNS

These signs are faithful reproductions of metal enamel signs you'd find on any garage wall in years gone by. Each is 123cm x 456cms and is drilled ready for fixing.

BAG850 - Printed Metal Sign - Defender 90

BAG851 - Printed Metal Sign - Series 1

BAG852 - Printed Metal Sign - Range Rover Classic

CRYSTAL DISCOVERY

This fabulous scale model of a Discovery is a Limited Edition of 300 units and comes with a numbered certificate of authenticity. The model is in solid glass crystal with the interior detail cleverly enhanced with a softly etched surface. Mounted on a mahogany base.

Size: 19 x 9 x 9.5cms

BAG884 Crystal Discovery

REPLICA MODELS

We at Bearmach are pleased to be able to offer this wonderful selection of replica models. They are correct in all details and have many working parts: the doors open, wheels turn, seats fold; even the engine bay and underside of the body carry great detail. Each model is a true replica which has been accurately scaled down by modelling technicians. The bodywork is die-cast metal and all ancillary parts are assembled by skilled specialists. Models are supplied on an attractive plastic display base. We are sure these models will get pride-of-place in any collection.

Bugs and grease collect on your windscreen and seriously affects visibility.

Turning on your windscreen wipers often decreases your visibility even more.

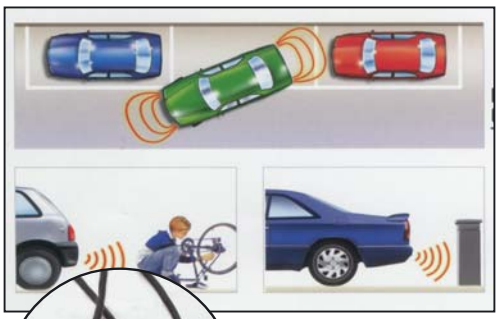

Windscreen Cleaning System

HotShot stands for quick and optimum cleaning of your windshield, removing virtually all types of dirt by using heated washer fluid. At the touch of a button, HotShot heats the washer fluid to about 65°C (150°F) within 30 seconds and sprays it onto the windshield. Due to the improved cleaning power of the heated fluid, HotShot can then remove the soluble dirt more effectively than any other product on the market today.

- Hotshot for a perfectly clean windscreen in all seasons!**
- Efficiently removes all dead insects, dust, salt and detergent residue, mud and oil.
 - Prevents cleared windscreen from fogging or freezing over again before starting your journey.
 - Clean windscreen all year round.
 - Increased safety due to visibility.
 - Convenient cleaning at the touch of a button.

BA 5501 Windscreen Cleaning System

Parking Sensors

These sensors neatly integrate into the vehicles bumper and will detect obstacles behind or in front of your vehicle whilst manoeuvring into position. As an obstacle is approached the sensors trigger the acoustic alarm which rises in frequency the closer the vehicle gets.

No More Dents To Your Vehicle (or Others')

- Quick and easy to install.
- Fits any vehicle including all Land Rover models.
- Choose 2, 3 or 4 sensor kits.
- 3 Level buzzer alarm to indicate obstacles.
- 12 or 24 volt power supply.
- Sensors can be painted to match vehicle.

BA 5503 – Rear Parking Aid System

WARNING TRIANGLE

A Warning Triangle is compulsory equipment in many countries (two are required in Spain) to alert other motorists if you are in a breakdown situation. Both Bearmach triangles are sturdy and easy to use, with reflectors on all sides, built-in stand and folds flat into the handy storage case. 'E' Approved.

SPOT LAMP FITTING KIT

A Universal fitting kit suitable for all spot lamps, including those illustrated on this page. Includes switches, wires, relays and instructions. From "RING" – does not include spot lamps.
BA 3026K – Spot Lamp Fitting Kit

WARNING & SAFETY PRODUCTS

Bearmach are pleased to be able to offer this all new range of Warning and Safety products from Lucas, which includes beacons, lightbars, minibars, reversing alarms, and worklamps.

If your Land Rover operates in a working environment affected by Health and Safety regulations these products are essential kit for your vehicle.

Agri Beacon
12V (bulb included) with tough lens, flexible base and low profile.
LBB287 – Agri Beacon

Premium Beacons

Premium Beacons
12/24V with simple belt drive to change voltage. Low profile lens, advanced reflector technology, 2 year warranty.
LBB122 – Single bolt fixing.
LBB260 – Magnetic fixing

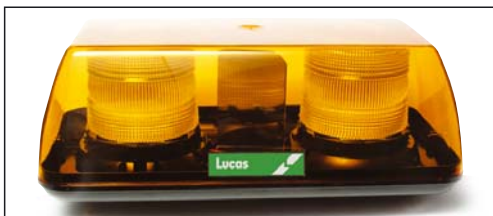

Xenon Beacons

Xenon Beacons
High intensity xenon beacons with choice of fixing. Double flash with 360 degree output.
LBB189 – Single bolt mounting.
LBB188 – Flexi DIN mounting.

Euro Beacons

Euro Beacons
Rotating halogen beacons with 3 fixing options. 12/24V, simple bulb change and impact resistant lens.
LBB722 – Single bolt mounting.
LBB772 – Magnetic mounting.
LBB760 – Flexi DIN mounting.

Micromaster Lightbars

Halogen Micromaster Lightbars

Two rotating halogen bulbs. A cost-effective alternative to a single beacon. Great light output.

- LBB362** – Halogen, 2 bolt fixing.
- LBB359** – Halogen, magnetic fixing.

Xenon Micromaster Lightbars

Double flash Xenon bulbs. A cost-effective alternative to a single beacon. Great light output.

- LBB364** – Xenon, 2 bolt fixing.
- LBB361** – Xenon, magnetic fixing.

Worklamps

Round Worklamp

Tough worklamp with polycarb lens, handle and switch.

- LBB750** – Round worklamp.

Mightylight

A robust worklamp with mesh grille, handle and ball joint mounting.

- LBB732** – Mightylight worklamp

Reverse Alarm

Replaces existing 12V reverse bulb for a low cost, instant fit solution. 87dB(A)

- LBR121** – Reverse alarm

LED Strobe Units

Low power consumption, high output LEDs. Epoxy sealed to prevent damage from water, dust and vibration. "Fit and forget" maintenance operation.

- LSM363** – 12V amber multi flash
- LSM407** – 12V amber quad flash

Strobe Units

REPLACEMENT BULB KITS

All vehicles should have one – especially if you plan travelling in Europe. This emergency kit contains at least one of each; Headlamp, Brake Light, Indicator and Interior Light Bulbs as well as a selection of Fuses.

BR 1300
Emergency Replacement Bulb Kit

LED BULBS

For use with most modern clear light covers

- BA 5122** – RED LED Stop and Tail
- BA 5123** – RED LED 21W
- BA 5124** – RED LED 5W

STANDARD COLOURED BULBS

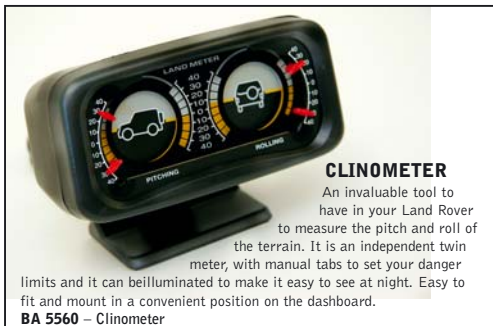

- BA 5125** – Red Bulb (STD) 21W
- BA 5126** – Red Bulb Stop/Tail
- BA 5128** – Red Bulb 5W
- BR 1303A** – Amber Bulb (180 Degree Pins)

XENON BULB KIT

Upgrade your standard lights for a crystal clear vision at night. Directly replaces existing bulbs, but some cutting of bulb covers may be necessary. Wiring instructions included.

- BA 5120** – Xenon Bulb Kit H1
- BA 5121** – Xenon Bulb Kit H4

CLINOMETER

An invaluable tool to have in your Land Rover to measure the pitch and roll of the terrain. It is an independent twin meter, with manual tabs to set your danger limits and it can be illuminated to make it easy to see at night. Easy to fit and mount in a convenient position on the dashboard.
BA 5560 – Clinometer

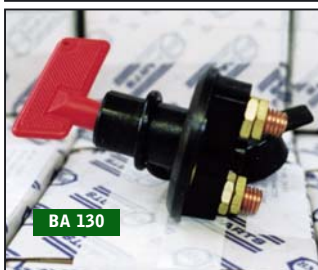

OPTIMA BATTERIES

These batteries offer many advantages over conventional batteries. They use Optima's revolutionary SpiralCell technology which involves thin plates of lead being rolled into spiral-shaped cells instead of hanging straight down. This increases the lead electrode surface by up to 100% allowing more efficient chemical reaction with the acid. The acid is absorbed in a specially designed separation material of thin fibreglass floss which has a positive effect between the active materials.

Advantages:

- ❖ Sealed for life
- ❖ Air portable
- ❖ Lasts 3 times as long as a "Good Brand" battery
- ❖ Has twice the starting power of a normal battery
- ❖ Can be stored for up to 2 years without power loss
- ❖ Tolerates hard driving on rough terrain and is vibration safe
- ❖ Flexible positioning

- BA 3120** – Red Top. General use.
- BA 3121** – Yellow Top. Winch Battery 2nd battery on split charge system.

BA 130

BATTERY ISOLATOR SWITCH

Easily fitted, allows battery to be isolated. Features a removable key for extra security.

- BA 130** – Battery Isolator Switch

BA 130S – Battery Isolator Switch with silver terminals

Seat Heater

BA 2410

SEAT HEATER

Seat Heater available built-in to new seats or DIY kit to fit inside your seats. With full fitting instructions wiring loom and switches. Sold for pairs of seats only.

- BA 2410** Heater (pair)

BOOSTER CABLES

BA 5100

AGRICULTURAL, COMMERCIAL & HGV BOOSTER CABLES

Fully insulated heavy duty clamps for additional safety supplied in a protective nylon bag, suitable for LGV and Commercial use. Cross section area of cable is 35mm², cable length is 4.5m.

BA 5100 – Agricultural, Commercial & HGV Booster Cables

BA 5102

POWERSOURCE PLUS 500

500w (800 peak). The PowerSource Plus 500 is an ideal leisure accessory – plug into your car battery to give a 240volt output. It is safe to use on DVD players, lighting (not fluorescent), mobile phone chargers, electronic note pads, videos, computer consoles, laptop computers, camcorders, stereos, small fridges, medium power tools and colour televisions.

BA 5102 – PowerSource Plus 500

PORTABLE POWER

BA 5101

HEAVY DUTY POWERPACK

The ultimate camping and recreational companion, that includes an integral 300w inverter and 250psi air compressor complete with adapters. The powerpack has a high power and long life battery, automatic power shut off on clamp release, 2 x DC auxiliary power outlets, in-vehicle charging adapter, adapter for 240v charging.

BA 5101 – Heavy Duty Powerpack

HEAVY DUTY POWERPACK

The Heavy Duty PowerPack is a professional application with a high power, long-life battery, automatic power shut off on clamp release, 2 x DC auxiliary power outlets, built-in work lamp, in vehicle charger adapter, adapter for 240v charging, extra long - high specification cables, LED charging and battery status indicator.

BA 5103 – Heavy Duty Powerpack

BA 5113

POWER INVERTER

No car should be without one – a conveniently sized inverter which simply plugs into the cigar lighter of your vehicle and converts the 12volts DC to 240v AC household electrical power. You can operate mobile office equipment and household appliances up to 6amps from your car, van, motorhome or boat. Run your mobile phone charger, laptop computer, playstation, camera charger, portable lights. Will not run heating appliances like irons and kettles.

- Auto shutdown to protect against overload, short circuit or overheating
- Flexible elbow
- LED light to indicate operation
- Compact and lightweight, easily stored in glovebox

BA 5113 "Miniverter" 240v Power Inverter

SMART CHARGERS

RING Smart-Chargers use 'Plug and play' technology to charge most types of lead acid batteries. They can recover damaged or deeply discharged batteries and deliver a battery back to its optimum performance.

Smart features:

- Automatic 3 stage battery charger
- Battery reconditioning
- Rapid charge override
- Remote battery check
- Suitable for all battery types.

BA 5116 Smart-Charge 4. An easy to use, waterproof charger supplied with fully insulated power connectors and battery terminal connectors.

BA5117 Smart-Charge 16. A professional quality charger with increased 16 amp charging capacity, automatic battery recondition function and polarity check. Supplied with tangle-free leads which store conveniently within the charger.

12V MULTI SOCKETS

In this age of hi-tech car accessories and their increasing popularity, the demands on a vehicle's power resources are becoming increasingly stretched. With the use of Sat Nav, radar detectors, DVD players and mobile phones and only one 12v socket available - you can be left wanting more.

The new RING Multi-socket range has been created to meet this demand - with superior quality, design and functionality to compliment the high value devices which are plugged into them. Both models here have an LED guide light and adjusting fitment collar.

BA 5114 Twin 12v Multi-Socket with 0° to 90° 4 position adjustable plug.

BA 5115 Twin 12v Multi-Socket with Battery Analyser. Mounting arms and coiled cable with plug attached.

T-MAX AUXILIARY BATTERY SYSTEM

With all the demands put on the battery of a serious off-road vehicle, an auxiliary battery is a sensible accessory. To run that battery you will need a Split Charge System. The T-Max dual battery system automatically links two batteries for charging, but isolates them when discharging. It has a manual over-ride feature, and built in safety protection. The system is a 12 volt system with a 180A Load capacity. Kit includes solenoid, display unit all necessary wiring and connectors and full instructions.

BA 2685 Auxiliary Battery System

KEEPING IT COOL

To call this range "cooler boxes" is doing them a disservice – this is "Mobile Refrigeration" at its best. These products bring a new convenience to the mobile, outdoor enthusiast - with advanced features for keeping all your food and drink cool and fresh.

TROPICOOOL

This in-car coolbox features LED indicators for temperature, battery monitor, safety belt fixing, switches for cold or warm functions, fold up tray, serves as an armrest for comfort when fitted to back seat.

Capacity: 15 Litres
Voltage: 12v DC
Consumption: 54 watts

COOLMATIC CF-18

A truly portable cooler/freezer fitted with a Danfoss compressor to give exceptional cooling performance. Features detachable lid, interior light, sturdy carrying handle and internal divider.

Capacity: 18 Litres
Voltage: 12v/24v DC
Consumption: 35 watts
Temp Range: -18°C to +10°C
Weight: 11.5kgs
Size: L465 x W300 x H414mm

BA 3213

Coolmatic CF-18

BA 3213

COOLMATIC CF-35

Can be used almost anywhere in the world - the integrated power supply unit identifies the voltage and adjusts itself accordingly. Mounting kit available for safe fixing in a vehicle. The Danfoss compressor gives exceptional performance for cooling or freezing.

Capacity: 31 Litres
Voltage: 12v/24v DC and 110-240v AC
Consumption: 45 watts
Temp Range: -18°C to +10°C
Weight: 15kgs
Size: L580 x W360 x H385mm

BA 3214

Coolmatic CF-35

BA 3214

COOLMATIC CF-50

Similar to the Coolmatic CF-35 but with an enormous 49 litre capacity. Features detachable lid, interior light and removable wire basket.

Capacity: 49 Litres
Voltage: 12v/24v DC and 110-240v AC
Consumption: 45 watts
Temp Range: -18°C to +10°C
Weight: 18kgs
Size: L630 x W360 x H480mm

BA 3215

Coolmatic CF-50

BA 3215

ROOF BARS

Supplied in pairs, these bars are suitable for carrying unwieldy items, such as ladders, and can double up as ski or bike racks with a simple attachment.

- BA 3100** Heavy Duty Roof Bars
- BA 043** Standard Roof Bars

ROOF BAR CYCLE CARRIER

Easily added to any roof bars including those mentioned opposite.

- BA 052** – Roof Rack mounted Cycle Carrier

BA 052

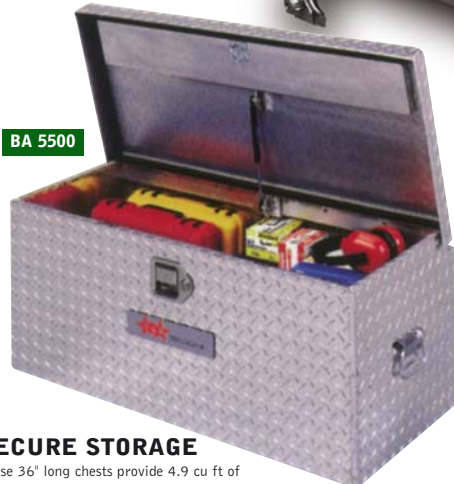

TOP BOX

The ultimate weather proof roof system to allow you to carry everything you need, in security, for those long weekends away or to carry all the paraphernalia of your particular pastime. Manufactured in high impact plastic and is aerodynamically shaped to minimise wind resistance. Will fit any roof bar using the 'U' bolts supplied.

BA 043TB

- BA 043TB** – 350 litre capacity (51" x 39" x 14"-10")

BA 5500

SECURE STORAGE

These 36" long chests provide 4.9 cu ft of lockable storage space. Manufactured in aluminium with stainless steel, recessed hinges and full weather stripping to seal out moisture and dust. Gas spring lid lift to assist in opening and closing lid. The ideal solution to keeping tools and expensive accessories secure in the back of your vehicle.

- BA 5500** Aluminium Secure Storage Chest

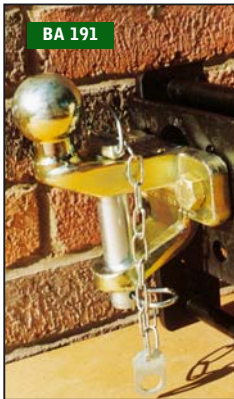

BA 172

TWIN REAR STEP

Made from heavy gauge steel and bar, zinc plated and yellowed to give an extra durable finish. No drilling required, bolts directly onto crossmember and can be used on most vehicles with tow bars. A very functional accessory. Easily combined with the drop plates shown on the next page.

- BA 172** – Twin Rear Step

BA 191

BA 193

TOWBALLS

BA 191 – Universal Coupling*

Towing capacity 3.5 tonne. 50mm Ball, with 25mm (nominal) dia forged pin, (to suit towing eyes: minimum I.D. 28.6mm maximum section 28.6mm). 2 bolt fixing. Zinc plated finish.

BA 193 – 50mm Towball*.

3500kgs Capacity, 2 hole fixing. Zinc plated finish.

* = E Marked

BA 195

UNIVERSAL TOW BAR WIRING KIT

BA 195 – Universal wiring kit with audible warning

BA 195A – Universal Towing Bypass Relay.

Note: Each Land Rover also has a specific O.E.M. wiring kit available – please see the relevant section.

BA 3080

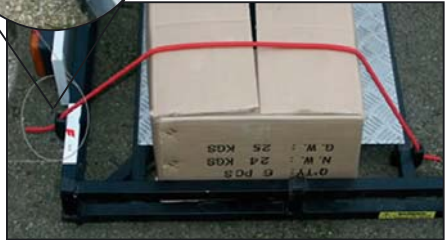

SPARE WHEEL MOUNTED BIKE RACK

Unique quick release arms clamp on to the spare wheel mounted on the rear door of any 4x4 vehicle. Can be adjusted for right, left or centre mounted tyre mounts and fits most sizes of spare tyre. Includes number plate holder and security straps. Allows two bikes to be carried safely and securely.

BA 3080 – Spare Wheel Mounted Bike Rack

SlideTite™
... hold it right

SLIDETITE TIE-DOWN SYSTEM

When we saw these products we thought – here’s the solution for hundreds of tie-down problems when you’re out and about in your Land Rover.

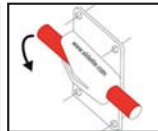

SlideTite™ products are based around a simple, patent pending, locking mechanism. The mechanism is both quick and very strong. The harder it is pulled the tighter it locks, but never jams shut. It works in all conditions - wet or dry - hot or cold.

The hook has been tested to hold 50Kg without breaking and the SlideTite™ mechanism itself to over 100Kg.

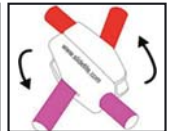

The system includes:

The Hook: A large, strong 25mm hook for use in most situations where you can grab onto an existing anchor point.

The Plate: Provides a permanent anchor point. Screw or glue the plate to any surface to hold stuff in place.

The Binder: Two SlideTite™ devices back to back. For use wherever you need to wrap rope / bungee around anything.

BA 2950 – The Hook

BA 2951 – The Plate

BA 2952 – The Binder

BA 2955 – 2m length of Bungee (colour can vary)

BA 2956 – 3m length of Bungee (colour can vary)

BA 2957 – 5m length of Bungee (colour can vary)

BA 2960 – Kit 1 - 2x3m bungee 4 x hooks

BA 2961 - Kit 2 - 2x2m bungee, 1x3m bungee 4x hooks, 4x plates, 2x binders.

HOW IT WORKS

- 1: Get some bungee cord or rope and any SlideTite™ product.
- 2: Push the bungee or rope up through the hole in the bottom.
- 3: Pull back the bungee or rope down into the slot to lock it in place.
4. To unlock: ... simply pull the rope or bungee up out of the slot

The Bearmach range of Towing and Touring fittings covers a wide variety of parts and accessories for the leisure enthusiast. The range includes plugs and sockets for caravan and trailer applications, accessories for tow bars and trailer boards.

WINCHING EQUIPMENT

For the serious off roader a winch can be an essential part of the kit. The winch can be used to get yourself and others out of all sorts of sticky situations. Apart from the great range of T-Max winches which are exclusive to Bearmach we also hold a wide variety of essential winching equipment that will help you tackle all terrains.

Exclusive to Bearthmach

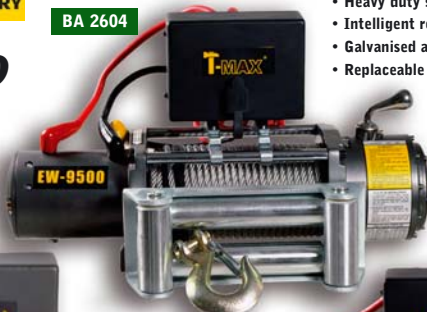

T-MAX Winches for Real Pulling Power

T-Max winches are another exclusive from BEARMACH, they are new to the UK, they pack more power than equivalent counterparts from other manufacturers and yet they are more economically priced.

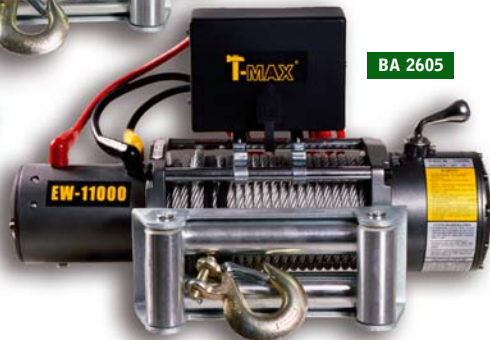

The T-Max range of winches offer capacities from 2,000lbs to 11,000lbs and many features usually found on more expensive brands:-

- Single line pull
- Heavy duty series-wound motor
- Intelligent remote control system
- Galvanised aircraft cable
- Replaceable clevis hook
 - Automatic in-drum braking
 - Sliding ring-gear clutch
 - Full range of complimentary accessories
 - Fits most mounting plates (Warn pattern) which are also available from Bearmach

EWI-9000 T-MAX 12v WINCH

This new T-Max winch is designed for those who prefer to use a synthetic recovery rope. Like all the T-Max range it has incredible pulling

power and is complete with wireless remote control. Rope and Fairlead is not supplied to allow the user the freedom to choose their favoured combination. Note: The winch is designed for use on light vehicles in the U.S. type "rock crawling" competitions, thus a short drum is provided for short ropes. A longer rope version, more suited to European competition is currently in development.

The All New **EWI-9000** features:

- ⊛ 9,000Lbs (4,080kgs) Rated Line Pull
- ⊛ Wireless Multi-Control Remote System
- ⊛ 5.5HP Series Wound Motor
- ⊛ Stainless Steel Clutch and Hardware
- ⊛ Weighs just 55lbs (25kg)
- ⊛ Drum size 63.5mm diameter x 222mm long

BA 2614 – 9,000lbs T-Max Winch with Remote Control

EWI 12000 T-MAX WINCH

Whenever you find yourself in a tricky situation you need a winch that you are confident is up to the job. Bearmach are pleased to announce the introduction of a new winch to the T-Max range with staggering pulling power and wireless remote control.

The All New **EWI 12000** features:

- ⊛ 12,000Lbs (5,440kgs) Rated Line Pull
- ⊛ Wireless Multi-Control Remote System
- ⊛ 6.6HP (4.0kw) Series Wound Motor
- ⊛ Stainless Steel Clutch and Hardware
- ⊛ Safety Alert Light

BA 2607 – 12,000lbs T-Max Winch with Remote Control

BA 2608 – 9,500lbs T-Max Winch with Remote Control

NEW
EWI 9,500
T-MAX WINCH
Same features as the 12,000 but with a 9,500Lbs capacity

WINCH COVER

Keeps your T-Max Winch free from the worst of the weather and muck and grime. Made from a strong weatherproof canvas with heavy duty eyelets to fix securely over the winch. (Will not fit EWI 12000)

BA 2638 – T-Max Winch Cover

RADIO CONTROL BOX

Retro-fit remote control box. Water proof and features Wireless multi-control. Cable connection supplied in case of battery failure. Suits all T-Max Winches and can be applied to many similar winches from other manufacturers

BA 2640

Radio Control Box

REMOTE CONTROL

(replacement part)

Ergonomically designed hand held remote switch to suit all T-Max Winches.

BA 2630

Remote Control Switch - suitable for non-radio control winches

BA 2652

Radio Control and Receiver kit - suitable for radio control winches

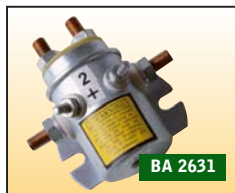

BA 2630

SOLENOID

500amp solenoid with silver coated contacts to suit T-Max winches.

BA 2631 – Solenoid - 12v

BA 2636 – Solenoid - 24v

BA 2631

T-Max Winch Extension Cable and Quick Plugs

Heavy duty electric Winch cables with quick release plugs for isolation or easy winch removal.

BA 2675 – T-Max Quick Release Plugs (pair)

BA 2676 – 6m Cable (1 red, 1 black) with Quick Plugs

BA 021 – 3.5m Power Cable only (1 red, 1 black)

BA 2668 Large Foot only

BA 185TA

T-Max Jack Repair Kit

Includes pins and spring for T-Max Jack servicing.

BA 2669 - T-Max Jack Repair Kit

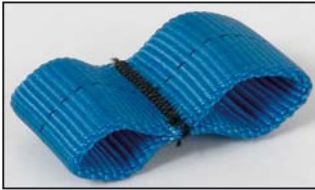

SYNTHETIC WINCH ROPE

The best just got better! Synthetic Winch Rope is the best option for those whose winch ropes are in constant use. With many advantages over traditional cable, it can be joined when broken, it's safer to use and easier to handle. The synthetic rope is covered with a 3m sheath on the drum to protect against heat and a 1 metre protective sheath at the hook end to protect against abrasion. Breaking strength of approx. 10,000 Kgs.

Also available are Splicing Kits and a variety of other diameters and lengths - please enquire.

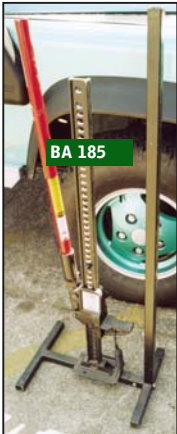

BA 2670 - Synthetic Rope 25 metres long 10mm wide with steel hook.
BA 2671 - Competition - as above but with larger hook.
BA 2672 - Fairlead to suit above rope when used on winches.

ROPE RETAINER

This simple device ensures that your winch line always maintains the minimum amount of wraps on the drum. It is all too easy to pull out the winch line and forget to keep five wraps on the drum for safety. With the Rope Retainer installed you can pull your line to your anchor point with confidence that it won't pull loose. Great for hidden winch mounts or in situations where you can't watch your drum while feeding out winch line. The photos show how easy it is to install The Rope Retainer. Also works with steel cable.

BA 2679 – Rope Retainer

BA 185

HIGH LIFT JACK

The "original" high lift jack – tried and tested in the most rugged conditions – only the best from Bearmach. Also available optional extension tube, for vehicles fitted with nudge bars.

VIKING COMBO LINE

Synthetic winch lines are now widely regarded as the safest option because of their lighter weight and when released, the winchline virtually falls to the ground with a fraction of the force of steel.

The Viking Combo Line includes 25' of Fire Line which provides heat protection at the drum. The remainder of the line is Viking Trail Line® which is manufactured from Dyneema® SK-75 HMPE fibre, "recognised as the world's strongest fibre" coated with Samthane™, to help resist abrasion.

The line is finished with an aluminium Winch Safety Thimble and includes a special drum attachment to secure the line to most leading makes of winches.

3/8" x 100' (inc. 25' Fire Line) – 9.5mm x 30m (7.6m)
19,600lb Breaking Strength

BA 2674 - Viking Combo Line

Pro-Comp Trail Kit

Don't get stuck without it! This all purpose survival kit includes everything you need to get out of any jam.

TUBULAR WINCH BUMPER

The most stylish and practical way to mount a winch to your Land Rover. Manufactured in heavy gauge tubular and plate steel - black powder coated after welding process for durability and longevity. Integral bash plate and jacking points to take standard hi-lift jacks.

The Winch mounting plate will take the majority of modern winches with no further drilling and it will accommodate both low and high line winches. All necessary hardware for fixing to your vehicle is included.

Please note that these winch bumpers are intended for off-road use only and you should check the legislation in your country for their use on-road.

Will only fit non-air-con Defender models - for fitment to air-con vehicles contact us for further advice.

- BA 5683 Towing Eye to suit Tubular Winch Bumpers

WHEELS

Alloy wheels not only enhance the appearance of your off-road vehicle but they can also help your on-road performance. Some people also like to keep a set of steel wheels just for serious off-road use.

We stock a wide range of Steel and Alloy Wheels and here we list the most popular styles and sizes. If your requirement is not listed here we're sure we can help – please call for availability.

WHEEL COVERS

Made from black, hard plastic with elasticated edge for secure and easy fitting. Will help keep spare wheel free from dirt and rust.

Available in plain black or with printed motif – please specify which design you require.

STAINLESS STEEL WHEEL COVERS

Stainless Steel outer has an adjustable catch which clamps the cover securely to the wheel and is operated with a key. The centre panel is a plain black hard plastic.

Please note: These are high quality covers - not to be confused with anything currently available in the UK.
