The revolutionary, Freelander 2 totally redefines the class standard and delivers outstanding breadth of capability on and off-road. With its dynamic design, sporty stance and up-to-date technology, Freelander 2 offers

the latest thinking from Land Rover. In fact, many practical features are incorporated as standard. However, because all owners enjoy their own individual lifestyles and pursuits there's a range of specialised items that brings even more style and added capability to the vehicle. These accessories can be added at any stage in the vehicle's life – not just when it is new – to enhance both driver and passenger experience. What's more, because accessories tend to be selected for seasonal conditions or type of use we've put together four accessory selections which, experience tells us, should cover most people's needs.

Accessory Selections

Touring, Summer Adventure, Winter Sports and City-Style Accessories

PAGE 5

Wheels

Add a touch of even greater individuality

PAGE 13

Exterior Styling

Tailor Freelander 2's elegant lines to suit your own unique tastes

PAGE 17

Carrying and Towing

Sometimes even a Freelander 2 requires added capacity

PAGE 25

Sustainability

PAGE 39

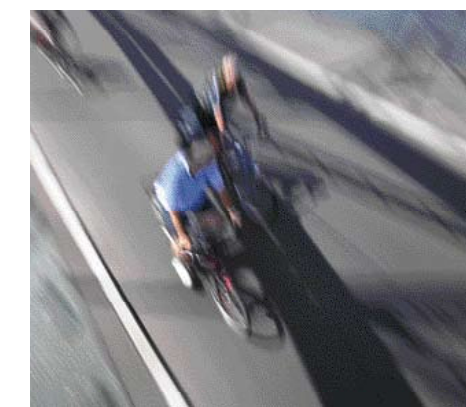

Touring. These accessories are intended to help enhance days out and travel off the beaten track. Shown here are the Driving Lamp Kit,

Side Steps to improve access, Bumper Styling Cover, and a Roof Mounted Bike Carrier.

FURTHER TOURING ACCESSORIES SHOWN

19 inch, Triple Sport Alloy Wheels, Raised Roof Rails, Cross Bar Kit.

Summer Adventure. Make the most of the summer months whether it's a family holiday to the coast or heading off for more extreme sport.

In fact, the opportunities for adventure are almost limitless. Accessories shown are Raised Roof

Rails and 19 inch, 10-Spoke Shadow Chrome Finish Alloy Wheels and Tyres.

FURTHER SUMMER ACCESSORIES SHOWN

Body Side Mouldings, Body Coloured Door Handles, Body Coloured Mirror Caps.

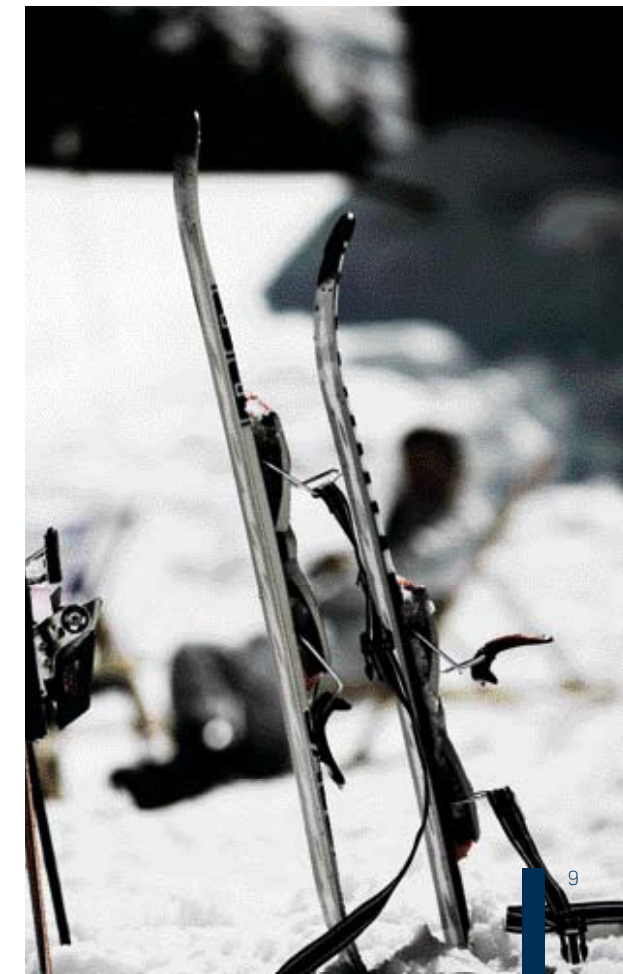

Winter Sports. Adding to Freelander 2's capability in some of the most treacherous and severe weather conditions is a specialist range of accessories. These include a Snow Traction System,

Body Side Mouldings and a Ski and Snowboard Carrier.

FURTHER WINTER SPORTS ACCESSORIES SHOWN
18 inch, 5-Split Spoke Alloy Wheels, Raised Roof Rails,
Cross Bar Kit, Black Side Protection Tube, Driving Lamp Kit.

City-Style. A number of specialised accessories are designed to enhance the urban driving experience. They include a Sports Styling

Pack, and 19 inch, 10-Spoke Shadow Chrome Finish Alloy Wheels and Tyres.

FURTHER CITY-STYLE ACCESSORIES SHOWN
Body Coloured Door Handles, Body Coloured Mirror Caps.

Wheels. Nothing quite sets a Freelander 2 apart like a set of the latest alloy wheels. There are three stylish designs to choose from, which not only allow a more personal look but also allow a greater flexibility to suit the appropriate use of the vehicle.

19 inch, 10-Spoke Alloy Wheel and Tyre - Shadow Chrome Finish
LR002800* (315MHz), LR002802 (433MHz)
Tyre size - 235/55 R19

Centre Cap
Shadow Chrome Finish - RRJ500030MNL
Bright Polished Finish - RRJ500060MUZ

19 inch, Triple Sport Alloy Wheel and Tyre - High Gloss Finish
LR002803* (315MHz), LR002805 (433MHz)
Tyre size - 235/55 R19

Centre Cap
High Gloss Finish - RRJ500030MCM
Bright Polished Finish - RRJ500060MUZ

18 inch, 5-Split Spoke Alloy Wheel and Tyre - Sparkle Silver Finish
LR002797* (315MHz), LR002799 (433MHz)
Tyre size - 235/60 R18

Centre Cap
Sparkle Silver Finish - RRJ500030MNH
Bright Polished Finish - RRJ500060MUZ

Snow Traction System - LR005169 - For front 17 inch and 18 inch wheels only

* Available for North American and certain European markets only. For details contact your local Dealer.

Please note: When choosing vehicles fitted with specific wheel and tyre combinations or optional wheels and tyres, your intended use of the vehicle should be considered. Wheels with larger diameters and lower profile tyres may offer certain styling or driving benefits, but may be more vulnerable to damage, please discuss your requirements with a Dealer when selecting your vehicle and specification. Wheels and tyres are not supplied with centre caps.

Front Mudflaps
LR003324

Rear Mudflaps
LR003322
Not compatible with
Sports Styling Pack

Exterior Styling. Freelander 2 is instantly recognisable as pure, state-of-the-art Land Rover and introduces a new, highly-individualistic design language with interlocking shapes reflecting precision, integrity and quality. Its sporty, road-hugging stance can be tailored to meet more personal tastes with a number of exterior accessories. Body Coloured Mirror Caps and Door Handles provide a premium look and a unique Sports Styling Pack gives an even sportier attitude. Body Side Mouldings and Side Protection Runners help keep dents and scrapes away from door and sills, while Side Steps aid entry and exit from the vehicle.

Note: Fitting the Sports Styling Pack will affect the off-road capability of the Freelander 2.

Freelander 2 Sports Styling Pack. 19 inch, 10-Spoke Alloy Wheel and Body Coloured Mirror

Caps and Door Handles are available to purchase as individual accessories only. Sports Styling

Pack contains Front and Rear Bumper Lower Bib Spoilers; New Radiator Grille and Surround

in Tungsten Finish; Rear Spoiler; Front and Rear Door Appliqué Panels; and distinctive elliptical

Exhaust Tailpipe Finishers.

Freelander 2's famous chiselled lines are given even more dynamism by Stainless Steel and Bright Finish Accessories. Designed to compliment its smooth interlocking shapes are a range of Stainless Steel options of a Front Grille Appliqué, Fog Lamp Bezels, Undershield, Rear Tread Plate and Tailgate Latch Finisher. A Bright Finish Fender Vent also emphasizes the athletic exterior of Freelander 2.

Carrying and towing. Despite Freelander 2's impressive load carrying abilities we recognise that extra capacity is sometimes called for. A range of specialised roof carriers are available to handle a variety of

items, from sailboards to skis. There is also a Rear Mounted Bike Carrier, and should even greater load moving capabilities be required, separate Tow Bars are available in three different styles.

Raised Roof Rails and Cross Brace Kit*
 Panoramic Sunroof vehicles
 LR007220
 Non Panoramic Sunroof vehicles
 LR006608

Cross Bar Kit*
 LR002417
 Easily removed when not in use.
 Vehicle height when fitted 1,852mm
 at normal ride height.
 Vehicle must have accessory Raised
 Roof Rails and Cross Brace Kit fitted.

Objects placed above the roof
 mounted satellite antenna may
 reduce the quality of the signal
 received by the vehicle and could
 have a detrimental effect on the
 navigation and satellite radio
 systems, if fitted.

Aqua Sports Carrier
 LR006846
 Carries one surfboard or
 sailboard and mast, or one
 canoe or kayak.
 Load capacity 45kg.

Luggage Rack
 LR006848
 Load capacity 57kg on
 Roof Rails and Cross Bar.

Luggage Box
 VPLDR0003
 Lockable for security.
 Opens from both sides.
 External dimensions: 1,600mm long,
 960mm wide, 410mm high.
 Volume 450 litres.

Ski and Snowboard Carrier
 LR006849
 Lockable for security.
 Carries four pairs of skis
 or two snowboards.
 Incorporates slider rails
 for easy loading.
 Load capacity 36kg.

*Raised Roof Rail and Cross Brace
 Kit and Cross Bar Kit are required
 for all Land Rover roof mounted
 accessories.

Roof Mounted Bike Carrier
LR006847
Lockable bike carrier designed for holding a single bike. Raised Roof Rails and Cross Bar Kit will accommodate up to three bike carriers.

For further information on Land Rover bikes please go to www.2x2worldwide.com

Bike Carrier
STC50063
Fits to the Fixed-Height Tow Bar only (LR007479). Holds two bicycles. Trailer may be towed at the same time. Not compatible with friction type tow hitches.

Lighting Board
STC8153
4-metre cable plugs into 'N' Type Electrics socket.

Quick Release Tow Bar
LR007480
Lockable for security. Easily removed. Not compatible with Sports Styling Pack.

Fixed Height Tow Bar
LR007479
Bolt on tow bar ball. Compatible with tow bar mounted bike carrier (STC7929).

HOW TO CHOOSE YOUR TOWING ELECTRICS

1. Choose which electrics kit suits your requirements: -
 - a. 13 Pin Electrics – VPLFT0002 (Shown top left)
 - b. 'N' and 'S' Type Electrics – VPLFT0001 (Shown top right)
2. When the vehicle is fitted with a Sports Styling Pack a separate towing electrics socket bracket kit (LR004084) is required.
3. Select any further options: -
 - a. Bike Carrier – STC50063
 - b. Lighting Board – STC8153

Speak to your Land Rover Dealer for further assistance.

Fixed position tow bar.

Interior Styling. Freelander 2 offers both luxury and practicality. Not to mention up-to-date technology. The rear seat entertainment system has LCD screens in the headrests and the Audio Connectivity System allows the easy use of iPod/MP3 players. And of course, accessories such as Sill Tread Plates, Carpet Mats and Waterproof Seat Covers are additional practical items too.

iPod is a trademark of Apple Inc., registered in the U.S. and other countries.

Touch-up Paints

A comprehensive range of touch-up paint sticks and aerosols to help your Freelander 2 look as good as new despite those minor chips and scrapes.
 Speak to your Land Rover Dealer for details.

landrover.com/ourplanet

Our commitment is to a sustainable future. Everything from the design of our vehicles and the way we build them, to how and where we use them and, at the end of their life, to how they can be safely disposed of, Land Rover is committed to a sustainable future. We're committed to reducing our impact on the environment and are working in four key areas.

e_TERRAIN TECHNOLOGIES.

In 2007 we announced a joint investment into new technologies to improve the environmental performance of our vehicles. This joint investment now stands at £800m. Building on the innovation of the Land_e concept, the first of these technologies is the Stop/Start engine in our diesel manual Freelander 2. In 2008 we revealed our new concept vehicle, the LRX; a Land Rover in body and spirit but conceived as a hybrid 2.0 litre diesel with potential CO₂ emissions of 120g/km.

SUSTAINABLE MANUFACTURING.

World class manufacturing facilities. Certified to ISO14001 since 1998. Our manufacturing facilities at Solihull and Halewood have reduced emissions by around 4 percent year on year, over the last 5 years. Our TDV6 and TDV8 engines are assembled in the Dagenham Diesel Centre which is powered by wind turbines. Total energy used in manufacturing each vehicle has been reduced by 19 percent since 2002. While water use per vehicle has been cut by 14 percent in the same period. We're also offsetting all CO₂ emissions by the manufacturing assembly of Land Rover vehicles at both plants. Partnered with specialist organisation Climate Care, our offset projects include a wind farm in China and hydro electric generators in Tajikistan. In addition, Land Rover vehicles are now designed to be 85 percent recyclable with all current models meeting the European End of Life Vehicles Directive. Sustainable and recyclable materials play an important role too: Freelander 2 contains 10 percent recycled and 10 percent renewable materials.

CO₂ OFFSETTING

In 2006, in the UK, we launched a pioneering programme for customers, independently administered by Climate Care, to offset CO₂ emissions for the first 45,000 miles (72,000 km) of all new Land Rovers. This programme is being rolled out progressively to other countries around the world. We're also the first automotive company to offset 100 percent of our manufacturing assembly CO₂ emissions.

GLOBAL CONSERVATION AND HUMANITARIAN PROJECTS.

Land Rover vehicles are used by conservation and humanitarian organisations worldwide and are often first choice for difficult tasks. Organisations include the Born Free Foundation, Biosphere Expeditions, Royal Geographical Society (with IBG), China Exploration and Research Society and Earthwatch Institute. Our projects are diverse, ranging from an initiative to help with the protection of rare wolves in Ethiopia, to a project funded by our CO₂ offset programme which provides efficient cooking stoves to rural parts of Uganda.

Our planet. We take our responsibility to our planet very seriously. Our vehicles are designed for purpose. As part of our Fragile Earth policy Land Rover has actively promoted responsible off-road driving since 1990. Our Experience Centres teach drivers to understand the full potential and unique breadth of capability of their vehicles while reducing impact on nature and the environment, in a wide range of activities.

To find out more, and to see our progress, visit www.landrover.com/ourplanet

www.landrover.com

All Land Rover Approved Accessories fitted by a Land Rover Dealer within one month or 1,000 miles/1,600 kilometres (which ever occurs first) of the handover of a new vehicle will benefit from the same warranty terms and period of cover as the vehicle warranty. Accessories purchased outside of these parameters will be subject to 12 month unlimited mileage warranty. All Land Rover Approved Accessories are rigorously tested to the same exacting standards as those applied to our vehicles. Performance in extreme hot and cold temperatures, corrosion resistance, impact and airbag deployment highlight some of the exhaustive product testing carried out to ensure accessories are both durable and importantly, continue to comply with current legislation. All our accessories are designed to be an integral part of Land Rover vehicles. While many items such as roof carriers are simple to fit, some products require specialist tools and diagnostic equipment to ensure correct integration with the vehicle structure and electrical systems.

This publication is intended for international usage and whilst Land Rover take the utmost care in ensuring that all details in the publication are correct at the time of going to press, we are constantly striving for improvement and therefore reserve the right to alter specifications and equipment without notice. Details of specifications and equipment are also subject to change to suit local market conditions and requirements, and not all products are available in every market. Some vehicles are shown with accessories or optional equipment fitted. These products vary from market to market, please consult your Land Rover Dealer who will be pleased to advise you on current specifications. Distributors and Dealers are not agents of Land Rover and have absolutely no authority to bind Land Rover to any express or implied undertaking or representation.
